**CORAM :R.M.S.KHANDEPARKAR &
R.S. MOHITE, JJ.
DATED :DECEMBER 15, 2005.**

P.C.

1. Heard.

2. Perused the report placed before us including the testimony of the Doctor. Taking into consideration the entire materials placed before us and on going through the impugned judgment, we are of the opinion that this is a fit case for grant of bail to the applicants during the pendency of the appeal. The testimony of the doctor evidently disclose that the injuries were caused by articles like iron rod and iron pipe and the death was caused due to Cardio Respiratory failure due to haemorrhagic shock, due to multiple fractures and injuries. The testimony nowhere discloses any grave injury on the vital part of the body of the deceased.

Considering the above fact and bearing in mind that both the applicants are ladies of the same family and involved in the incident, we are of the considered opinion that the application deserves to be allowed as prayed for subject to conditions that the applicants shall furnish bail bonds in the sum of Rs.25,000/- each with one or two sureties in the like amount to the satisfaction of the learned Sessions Judge. The applicants shall not leave the country without prior permission of this court till the disposal of the appeal and shall keep this court inform about their residential address. Application is accordingly stands disposed of.
